

Pemberton Manager's Report

Whistler Gymnastics AGM – June 15, 2018

Highlights:

- Registration of 195 this spring session
- Started new Ninja's program for boys grade 1-3. Very successful with 22 boys signed up this spring session. Coaches also noticed an improvement in the skills of the girls classes of the same age.
- Ran a very successful performance program with 23 athletes.
- Thank you to Bonnie Juniper for being the Pemberton representative on the Board of Directors this year.

Challenges:

- Programming a trampoline and parkour classes within the gym at the same time as the gymnastics classes.
- Setup and Takedown-better than last year with the credit to parents who committed to a time for the whole year. Continues to be hard on the coaches and the equipment
- A busy very year of administration/programming

Points for next year:

- Continue to train new coaches to maintain the success of our programs,
- Work towards finding a permanent setup gym.
- Running 4 groups in the same gym with limited equipment, either group sizes should be smaller or limit groups to 3 in the gym.
