

Whistler Gymnastics Club Donation Request Form

The Whistler Gymnastics Club is a Not for Profit club running programs in both Whistler and Pemberton. Developing young athletes in Whistler for over 30 years, the Club constantly strives to keep all programs offered affordable for all participants - from Parent and Tot to competitive athletes competing on the National, and World stage.

Two Fundraising Events this spring will support the operations of the Whistler and Pemberton programs as well as launch a new Athlete/Coach Travel Fund that will help to cover the cost of teams and coaches travelling to Provincials, Westerns, National Championships and International Competitions and Performance Events.

We are reaching out to Whistler companies, activity providers and local businesses to see if you would consider becoming involved in our events by donating a Silent Auction or Raffle prize.
