Parking:

This is a densely populated area with few parking lots and no street parking. The pink circles on the map below show the suggested parking lots. Please note the parking lot directly across the street from the Athletes Centre is usually full.

We suggest if you are staying in a Whistler hotel, to ask for a shuttle ride to the gym, carpool with your team or take a Whistler taxi [\(604\) 932-3333](tel:6049323333)

Whistler Transit (bus) is only \$2.50 each way and FREE on Sat and Sun! It drops you directly across the road from the gym.

If you do plan to drive, give yourself plenty of time as it will be frustrating to find a parking spot. You may need to drop off the athletes and enjoy a drive around the area to allow the previous groups to depart and open up spaces. Our biggest apologies for the inconvenience! A parking map of the area can be found below.

We look forward to seeing you here and wish all the competitors good luck!

- Whistler Summer Classic Team
